

Learn to Play Hockey 2015-2016

The Learn-to-Play Program is a way for kids to get out on the ice and learn the fundamentals of basic hockey. Passing, shooting, guarding, along with learning the basic rules of the game is a major focus within the program.

The kids learn the meaning of playing in a 'team setting' and the importance of good sportsmanship.

To determine if your child is ready for Learn-to-Play, he/she needs to be 4 years of age or older and be able to skate without assistance. This assures us that the kids will be safe out on the ice.

To lease out on-ice equipment for the season, there is a \$25 charge and a \$100 refundable deposit

For each session there is a fee of \$100 per child for the class

USA Hockey Registration is **required** for all players! Please bring proof of purchase to the equipment pick-up in order to be eligible to get out on the ice!
