This Agreement is made this \_\_\_\_\_ day of \_\_\_\_\_, 20\_\_\_\_ by and between the Board of Public Utilities ("BOARD") of the City of Cheyenne, Wyoming ("CITY"), and \_\_\_\_\_ ("FIRM").

WITNESSETH

WHEREAS, the BOARD manages, operates, maintains and controls the municipal water works, sanitary sewer system, and disposal system for the CITY;

WHEREAS, the BOARD is in need of services to:

\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_;

WHEREAS, the FIRM is qualified to provide the professional services desired by the BOARD and has submitted a proposal dated \_\_\_\_\_ for the above desired work, a copy of which is attached hereto as Exhibit "A" and incorporated by this reference;

WHEREAS, the FIRM also agrees to provide services and information to the Board necessary to complete the work described in the Request For Proposals dated \_\_\_\_\_, a copy of which is attached hereto as Exhibit "B" and incorporated by this reference; and

WHEREAS, the BOARD desires to employ the FIRM under the terms and conditions hereinafter set forth.

NOW, THEREFORE, in consideration of the mutual promises and covenants herein contained, it is agreed by and between the BOARD and the FIRM as follows:

1. SCOPE OF SERVICES:

a. The FIRM agrees to provide professional services for the BOARD as set forth in Exhibit "A" and Exhibit "B" attached hereto and incorporated herein by this reference.

b. The BOARD may order major changes in the scope or character of work, either decreasing or increasing the amount of the FIRM's services. In the event that such changes are ordered, the FIRM shall be entitled to additional compensation for additional work performed. Additional compensation for major changes shall be determined in accordance with Paragraph 2 of this Contract, but in no event shall the BOARD be liable for payment unless the amount of such additional compensation shall first have been agreed to in writing by the BOARD. In the event that major changes are ordered pursuant to this Section, the schedule for progress and completion in Section 3 of this Contract and compensation in Section 2 shall be adjusted by negotiation between the FIRM and the BOARD.

2. COMPENSATION:

a. The FIRM shall perform the services set forth in Exhibits "A" and "B" for a cost not to exceed \$\_\_\_\_\_ (total written out). The FIRM shall bill the BOARD on a time and materials basis and shall submit invoices on a monthly basis and upon acceptance and approval of the work, the BOARD shall make payment (less 10% retainage) therefor within 45 days of receipt of said invoice to the FIRM for services completed. The monthly payments shall be based upon actual time worked and direct expenses. The 10% retainage shall be released upon final completion of the scope of services and final acceptance thereof by the BOARD.

b. The FIRM shall maintain hourly records of the time worked by its personnel and records of direct project expenses to support any audits the BOARD may require and make those records available to the BOARD at the BOARD's request. Such records shall be made available to the BOARD during normal office hours at the BOARD's office any time after contract execution and before one year after the date of final payment.

c. In the event total charges, fees, and expenses billed to the BOARD by the FIRM meet the maximum limit of \$\_\_\_\_\_ plus all amounts authorized for supplemental services, and the work required of the FIRM hereunder has not been completed, the FIRM shall remain obligated to complete said work in its entirety.

3. TERM AND EFFECTIVE DATE: This Agreement shall commence on the date the last required signature is attached hereto and shall continue in full force and effect until the scope of work is completed (or insert specific deadline) and any plans, drawings, specifications and documents are submitted to the BOARD in accordance with Exhibit "A" and "B", unless this Agreement is earlier terminated pursuant to Sections 21 and 22 herein.

4. MODIFICATION: Any changes, modifications, revisions or amendments to this Agreement which are ordered pursuant to Section 1 herein or which are mutually agreed upon by the parties to this Agreement shall be incorporated by written instrument, executed and signed by all parties to this Agreement.

5. INDEMNIFICATION / HOLD HARMLESS: The FIRM agrees to indemnify, hold harmless and defend the CITY and the BOARD from and against any and all liabilities, claims, penalties, forfeitures and suits, and the cost and expenses incident thereto, including reasonable attorney's fees, which may hereafter arise as a result of death or bodily injury to any person, destruction or damage to any property, contamination of or adverse effects on the environment, or any violation of governmental laws, regulations or orders to the extent caused by (1) the FIRM's breach of any term or provision of this Agreement; or (2) any negligent or wrongful act, error or omission by the FIRM, or its employees or subcontractors in the performance of this Agreement. The FIRM acknowledges that it may incur a financial obligation to the CITY and the BOARD pursuant to the terms of this paragraph.

6. GOVERNMENTAL IMMUNITY: The BOARD and the CITY and their officials and employees do not waive governmental immunity by entering into this Agreement and specifically retain all immunities and defenses available to them as Governmental Entities pursuant to Wyo. Stat. § 1-39-101, *et seq.*, and all other applicable laws, except to the extent necessary solely for the enforcement of the terms and conditions of this Agreement as between the parties. Further, the BOARD and the CITY fully retain all immunities and defenses provided by law with regard to any action, whether in tort, contract or any other theory of law, based on this Agreement. Designation of venue, choice of law and similar provisions should not be construed as a waiver of governmental immunity.

7. INSURANCE: The FIRM shall provide the BOARD with proof of the following insurance coverages:

#### **Commercial General Liability Insurance**

For claims arising out of bodily injury, illness or death, or from damage to or destruction of property of others, including loss or use thereof, with minimum limits of \$1,000,000 per occurrence, \$2,000,000 aggregate for the entire term of the Agreement.

#### **Business Automobile Insurance**

Including owned, non-owned and hired vehicles with minimum limits for bodily injury and property damage of \$1,000,000 per accident for the entire term of the Agreement.

#### **Workers' Compensation**

Workers' Compensation coverage shall be in effect for the entire term of the Agreement, as required by Wyoming law, for all employees or agents providing services under this Agreement. The FIRM shall provide the BOARD with proof of workers' compensation or employer's liability insurance coverage.

## Professional Liability Insurance

The FIRM shall provide proof of professional liability insurance or errors and omissions liability insurance in an amount not less than \$500,000 to protect the BOARD from any and all claims arising from the FIRM's negligence in the performance of duties under this Agreement. The BOARD prefers that this liability insurance coverage be provided pursuant to an "occurrence" policy.

If this coverage is provided pursuant to a "claims made" policy:

(1) the FIRM shall, concurrently with the execution of this Agreement, provide the BOARD with a certificate of insurance demonstrating that such coverage is or shall be in effect at the time the FIRM begins the provision of services under this Agreement; and

(2) In the event the FIRM's services extend into a future policy period, the FIRM shall, prior to the policy expiration date, provide the BOARD with a new certificate of insurance demonstrating that such coverage is or shall be in effect during all periods of time that the FIRM will provide services under this Agreement; and

(3) the FIRM shall maintain said "claims made" coverage for a period of five (5) years following the last date that the FIRM has provided services under this Agreement; and

(4) In the event the FIRM or the insurer terminates "claims made" coverage prior to the expiration of the periods provided in subparagraphs (1), (2), or (3) of this paragraph, the FIRM shall provide to the BOARD advance written notification of the termination of said coverage and shall provide the BOARD with an endorsement for an extended reporting period ("tail coverage") which shall be in effect for a period of time not less than five (5) years following the last date that the FIRM has provided services under this Agreement.

## Additional Insurance Information

The FIRM shall name the Board of Public Utilities and the City of Cheyenne as an **Additional Insured** by endorsement on its insurance policies, with the exception of worker's compensation and professional liability insurance, and shall provide the BOARD with a copy of the endorsements.

The FIRM shall provide the BOARD with certificates of insurance acknowledging the above-stated coverages prior to beginning any work under this Agreement.

It is understood and agreed that these policies are primary and not contributory. All policies required under this Agreement shall be in effect for the duration of the Agreement. It shall be an affirmative obligation upon the FIRM to immediately notify in writing the BOARD of any fact, circumstance, or occurrence that has resulted in or may result in the cancellation or substantive change of any insurance coverage required by this Agreement, and failure to do so shall be construed to be a breach of this Agreement.

In addition, the FIRM shall provide the BOARD with copies of insurance policies and/or policy endorsements listing the Board of Public Utilities and the City of Cheyenne as an additional insured. The BOARD's failure to request or review such policies, endorsements, or certificates shall not affect the BOARD's rights or the FIRM's obligation hereunder.

Any insurance company providing coverage under this Agreement shall have a minimum A. M. Best rating of A- (excellent).

8. GOVERNING LAW, JURISDICTION and VENUE: The construction, interpretation and enforcement of this Agreement shall be governed by the laws of the State of Wyoming. The courts of the State of Wyoming shall have jurisdiction over any action arising out of this Agreement and over the parties, and the venue shall be the First Judicial

District, Laramie County, Wyoming.

9. COMPLIANCE WITH LAWS: The FIRM shall comply with all applicable federal, state and local laws, rules and regulations in the performance of this contract. The identified Laws or Regulations are included in this Agreement as mandated by statute or for the convenience of the FIRM. The FIRM's attention is directed to the fact that all applicable Federal and State laws, municipal ordinances, and the rules and regulations of all authorities having jurisdiction over design and construction of the project shall apply to the Agreement throughout, and they will be deemed to be included in the Agreement the same as though herein written out in full. Other Laws and Regulations apply which are not included herein, and are within the FIRM's duty and responsibility for compliance therewith.

10. NONDISCRIMINATION: The FIRM shall comply with the Civil Rights Act of 1964, the Wyoming Fair Employment Practices Act (Wyo. Stat. §27-9-105 et seq.), the Americans With Disabilities Act (ADA), 42 U.S.C. § 12101 et seq., and the Age Discrimination Act of 1975 and/or any properly promulgated rules and regulations thereto and the FIRM assures that no person shall be excluded from participation in, denied the benefits of, or otherwise discriminated against in connection with the award and performance of this Agreement on the grounds of age, sex, race, creed, color, national origin, ancestry, religion, pregnancy or qualifying disability. The FIRM further assures that it will include the language of this paragraph in all agreements associated or connected in any way with this Agreement and the work thereunder. If the FIRM, its employees or subcontractors are found in violation of these requirements, this Agreement may be terminated. The FIRM shall be responsible for all such non-compliance and shall defend, hold harmless and indemnify the BOARD therefrom.

11. ALCOHOL AND CONTROLLED SUBSTANCE POLICY: In compliance with the Drug-Free Workplace Act of November 1988, the BOARD has established an Alcohol and Controlled Substance Policy that pertains to alcohol and drug usage by BOARD employees. All parties under contract with the BOARD, including the FIRM and its employees and subcontractors, are required to comply with the provisions of the BOARD's Alcohol and Controlled Substance Policy for drug and/or alcohol usage on BOARD property or other sites occupied by the FIRM while performing duties and responsibilities of this contract. It is the responsibility of the FIRM to familiarize itself with the requirements of this policy and to inform all its employees and subcontractors of those requirements and to insure their compliance therewith. If the FIRM, its employees or subcontractors are found to be in violation of this policy, this contract may be terminated.

12. INDEPENDENT CONTRACTOR: At all times during the term of this Agreement, the FIRM shall be considered an independent contractor. Neither the FIRM nor any one employed by it shall represent, act, purport to act or be deemed to be the agent, representative, employee or servant of the BOARD.

13. CONFIDENTIALITY: To the extent allowed by law, the BOARD and the FIRM shall treat as confidential and not disclose to others information (including technical information, experience or data) regarding either party's plans, programs, plants, processes, products, costs, equipment, operations, or customers which come within the knowledge of the parties, without in each instance securing the prior written consent of the other party, unless such disclosure is required by law or legal process. However, nothing shall prevent either the FIRM or the BOARD from disclosing to others or using in any manner information which either party can show (a) has been published or has become part of the public domain other than by acts of the FIRM or the BOARD; (b) has been furnished or made known to the FIRM or the BOARD by third parties without restrictions on its disclosure; or (c) was in either party's possession prior to the disclosure thereof by the BOARD or the FIRM to each other. Neither the FIRM nor the Board shall be restricted from releasing information in response to a subpoena, court order, or legal process, but, in the event such disclosure becomes necessary, the disclosing party shall notify the other party of the demand for information at least seven (7) days prior to disclosing such information so that the other party may take any and all steps provided by law to prevent the release of such information.

14. FIRM'S RESPONSIBILITIES: The FIRM shall be responsible for all terms and conditions as set forth in this Agreement and the professional quality, technical accuracy, and timely completion of all services as set forth in Exhibits A and B and all changes in the scope or character of the work made pursuant to Sections 1 and/or 4 herein. The FIRM shall, without additional compensation, promptly remedy and correct any errors, omissions, or other deficiencies. The FIRM shall perform all work in a professional manner in conformance with industry standards.
