## **THANK YOU TO MARC WOODS!**

At the end of 2015, the City of Cheyenne Planning Commission Chair Marc Woods completed 9 years of service to the community. Before this, Marc served on the Joint City-County Planning Commission. Marc's service is quite extraordinary as this position is unpaid with night meetings that require countless hours of preparation. City Staff cannot thank him enough for his service and we invite you to do the same.

## **TOWN HALL HELD ON DEVELOPMENT PROCESSES**

The Engineering Department and the Board of Public Utilities (BOPU) held a public workshop with developers in the Fall of

2015. This forum provided the ability for those in the development community to express thoughts on City and BOPU processes. From this, a roadmap for the consolidation of reviews and approvals for development was outlined. Also spurred from this was the formation of a working group of City Staff, private developers, and interested professionals that will provide insight on moving forward with the ultimate goal of keeping Cheyenne the most development-friendly City on the Front Range. For more information contact John Hall, City Engineer at 307-638-4314.

## **FAIRFIELD INN AND SUITES NEARING COMPLETION ON WEST LINCOLNWAY**

The long awaited new 100 room hotel will include several amenities for travelers. This hotel is one of several opening this year and is an exciting addition to our community.

Progress as of Feb. 2016
