

The background of the entire page is a photograph of the Cheyenne State Capitol building. The building is a grand, classical-style structure with a prominent golden dome. A large blue ribbon is draped across the front facade of the building. In the foreground, there is a statue on a pedestal, a set of stairs leading up to the entrance, and a red fire hydrant. The sky is blue with scattered white clouds, and a tree branch is visible in the upper left corner.

- **News from our Partners**
- **Department Contact Information**

ARE 'TINY HOMES' POSSIBLE IN CHEYENNE?

If you have ever turned on the HGTV Channel on cable, then you have seen a show about 'tiny homes'. As such, the Development Department has received numerous inquiries as to their potential placement in Cheyenne. These units can be placed as a primary residence, following all typical residential and lot requirements, or placed as an accessory dwelling unit (ADU). ADUs can provide added residential units and/or income to a property owner. Please contact the Development Department for any further information.

CITY GROWS BY HUNDREDS OF ACRES

In 2015 the City of Cheyenne grew by 274.45 acres as a result of voluntary annexations. Annexation expands City Services including, but not limited to, Police, Fire, Water, Sewer, and Sanitation.

BIOBLITZ COMING TO THE BELVOIR RANCH!

On June 10-12 please join our partners. For more information and to register [click here](#).

DEVELOPMENT COMMENTS, QUESTIONS, OR CONCERNS?

Speak to a Planner at 307.637.6282 or the Development Director at bcamarata@cheyennecity.org

FOOD TRUCKS

With the summer rapidly approaching, there has been an increase in interest in the operations of food trucks and outside vendors. Food trucks receive a permit or license through the City Clerk's Office. The Development Department will comment on site specific issues and will rarely request requirements past what the Clerk's Office recommends. Zoning code typically does not affect the use of "Temporary or Transient Merchants" and "Food stands, wagons and pushcarts".
