REVIEW:

Class A Specialty (1-Time Only) Contractor licenses Section 25.0- **A one-time only Specialty Class A license to a contractor that is working for a national chain for a single project or specialized construction with work associated to the certifications required. The applicant shall submit a written recommendation from the company and contractor experience verification. The applicant will not be required to wait until the next Board meeting if the application is complete and approved by the Building Official. The approval of a Specialty Class A license shall be reviewed by the Board at its next regularly scheduled meeting.**

Board review only.
